

Amendments to the Specification:

In accordance with 37 CFR 1.125 attached is an amended substitute specification with deletions shown by strikethrough and additions underlined together with a clean copy as required. It is anticipated that the prior abstract will be retained and used in this case.

Amendments to the Drawings:

The attached 6 sheets of drawings includes changes to drawing sheets 4, 5, and 6 as made in the prior case to make them formal and to comply with the draftspersons requirements. A “red-lined” (red highlight) version of the drawings is also included for review by the Draftsperson, in accordance with 37 C.F.R. §§ 1.85 and 1.121(a)(3)(i). Amendments to the description of the specification corresponding to the amendments required by the Draftsperson in the prior case are also accomplished.
